REMINDER: BBEBIES WILL BE CLOSED ON THURSDAY 4TH MAY DUE TO A POLLING DAY.

What an amazing performance we were treated to on Tuesday evening at the Hall for Cornwall. The show was packed full of brilliant musical and dance performances—our pupils did their families and school very proud. More photos can be seen on our website. Thank you for your support in this truly memorable event.

Spring is definitely here and summer around the corner and we are starting to experience some sunny days. Please ensure children are supplied with a sunhat and sunscreen is applied before children come into school. If you would like this to be reapplied during the day, please note that children must do this themselves. It also helps if their sun lotion bottle is clearly labelled with their name!

There seems to be a new craze doing the rounds of fidget toys. These items are great in helping some children to focus and concentrate. However, they are not suitable for all children and can, in fact, be more of a distraction! If you think something like this would help your child and think it would be of benefit to use in class, please see your child's class teacher to discuss.

Have a great Bank Holiday weekend!

An excellent achievement!

Last Friday, we took the Y5/6 indoor athletic team to the Spring Games Final. The team had successfully qualified for the final and were representing the Mid Cornwall Schools.

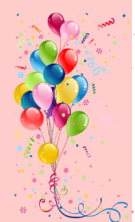

Despite competing against very strong teams, our children gave 100% and performed excellently. Although we did not finish in the top 3, (3rd place had 230 points and we came 4th with 226 points), for me they were the winning team. Each and every child was a credit to their family and I can not express how proud we felt of them all.

A huge thankyou to the parents who helped with transport and supported the team.

Exciting News!

We are delighted to announce that one of our Trust schools, Ladock, have been successful in their application to the Tesco, 'Bags of Help Grant Scheme' so their project will now be put forward to a customer vote in Tesco stores during May and June 2017. The project, along with the other two successful projects in our region, will go forward to a vote in Tesco stores where their customers will decide the outcome by voting for their favourite project each time they shop. Voting will take place during May and June Ladock will find out by the end of July 2017 the amount of funding they will receive. The project with the highest number of votes across our region will receive up to £4,000, the second placed project up to £2,000 and the third placed project £1,000.

The project is called, 'Outdoor Play at Ladock School' but might also be listed under St Piran's Cross MAT. The funding received would enable the school to develop their outdoor environment including Early Years play equipment as well as developing an outdoor reflection area.

We would be incredibly grateful if you could vote for Ladock's project and encourage all of your friends and family to do the same.
