

Year 5 Residential to London on Wednesday 29th March to 31st March 2017

After extensive consultations and discussions with a variety of agencies including the Educational Visits lead for Cornwall Council, Steve Double MP, Westminster office and our travel company **the planned visit will be taking place.**

What another busy week! It was so lovely to see so many of you all at our Immersive Curriculum Open Afternoon, which gave you the opportunity to find out what our new approach to teaching non-core subjects is all about! I think it's fair to say parents were suitably impressed by what they saw. One parent even commented that they wished their own learning had been like this! Children have enjoyed learning about their topics in a more creative way and I hope to see even more of you at our forthcoming exhibitions and performances!

The Open Afternoon concluded with our half-termly parent forum. Discussions focussed on familiar issues: parking and ParentPay. We were pleased to share that discussions with Cormac are underway to improve the vehicular access to the school, including new parking areas, widening of the roundabout and dedicated no parking and drop-off zones. We are planning to put the funding gained to very good use!

There are still a few parents encountering difficulties with ParentPay. If you have a problem with payments or bookings, please contact the school office. Alternatively, ParentPay also have a 'Help' section with useful guidance. If you are finding difficulties have not been resolved or are ongoing, please email bbsecretary@stpiranscross.co.uk and we will pass this information onto our Central Office and ParentPay.

Thank you for all your donations for Comic Relief today. Have a great weekend.

Mrs Carmichael

We have been alerted by our neighbours in the Killyvarder Way area that some parents are parking across driveways and verges. I have also heard about some damage to residents' gardens. We are obviously aware of the difficulty in parking in our local area and are working on this but, in the meantime, please park considerably in the adjacent roads. We are hoping that with the onset of spring, we will see more people walking to and from school so this problem will be alleviated. Many thanks.

Our Christian values: Compassion, forgiveness, trust, respect, courage and perseverance

Thank you so much to the children who took part in the Ten Million Minutes reading challenge. In total, primary school children across England smashed the Ten Million Minutes target, reading for an amazing total of **15,995,407** minutes over the week, around **4 hours per child** that took part. This is an incredible achievement and you should all be very proud.
