**We are pleased to announce that this half term, the winning team is the BLUE team. Their reward will be not having to wear school uniform on Monday 21st March. Well done!!**

Finally the sun is shining and it's been great to see classes beginning to take more of their learning outside. We have had sporting success in KS1 cross-country and netball with, no doubt, more to come!

This week, I've had no end of very proud children visit my office with fantastic work and there's been a real buzz of excitement as teachers have been marking assessments, showing how much their pupils are progressing. Reports will be sent out next week and I'm sure you'll be delighted to hear how well your children are doing.

Some of our children have come down with Scarlet Fever and Chicken Pox, common illnesses but very contagious. Please read the information letter sent out and rest assured that we are taking measures recommended by Public Health to limit the risk of further cases.

Have a lovely weekend!

### Sports Relief 2016

Wow what a fantastic day we have had. The school has been full of footballers, gymnasts and tennis players. Mrs Brock organised circuit training in the hall, from push-ups to running and skipping. There were a lot of very tired children by the afternoon.

On Tuesday 15th March, BB Netball Team played Mevagissey School in a netball match. The whole team played extremely well and we won 4-2! Since Christmas, our Netball Team have not lost a match, so we are hoping that this will help us in next week's tournament at St Mewan. Written by Grace Gordon

Year 1 and 2 competed in a KS1 cross country event on Wednesday. Mr Daysh was extremely proud of all the children who competed with enthusiasm and determination. The children ran well and we were especially delighted because Merryn Eycott-Martin won a gold medal!

Book Fair

will be at BB

on Wednesday 23rd March, please come along from 3.20pm until 4pm.

The children will have a chance during the day to visit the book fair, please ensure they bring their money to school.

BB Friends would like to say a huge thank you to Tim Clegg, Manager at Tesco Express, St Austell for giving us an "Eggstremely" generous discount on the Cadbury's Crème eggs for the Easter Egg Roll. We couldn't do what we do without donations from our local community.

Friends of BB are considering running a table top/car boot sale. It is an opportunity for you to sell your unwanted items and make some money, all we ask for is a pitch fee. To enable us to move forward, we would need to know, roughly, how many people would be interested. If you could complete the questionnaire below and return it to reception by 23<sup>rd</sup> March we would be very grateful. As soon as we have received your responses, we will post it on the newsletter. Many thanks.
