

"Learning that lasts a lifetime"

## Newsletter

What a busy and hard-working week—KS2 SATs are finally over and our year 6 pupils can breathe a sigh of relief, safe in the knowledge that they could not have worked any harder. They approached each and every test with determination and a positive attitude. They have been brilliant! The results will be shared with us in July and we will report these as soon as we can.

Thanks go to 'Friends' who put on a great breakfast for our Y6s and their siblings—it was a great start to the day and ensured they were all raring to go.

Have a great weekend, whatever the weather!

Debbie Carmichael

Thanks to the many of you who attended the Read Write Inc. information sharing meeting; it was great to see so many of you there! The activities demonstrated in the session will be sent home next week (to give you an opportunity to ask any questions!) For those of you unable to attend, instructions will be attached to the tasks. Happy practising!

**E-safety update:** We have heard about a new website, called sayat.me. Here's how the site describes what to do:

1. Create your personal feedback web address
2. Spread the link through Twitter, Facebook, Skype, etc.
3. Read what people think about you
4. Publish your favourite feedback

Unfortunately, this is an opportunity for some to use the feedback tool offensively. There is growing evidence of the harm that this site has already created and there have been reports of cyberbullying in other schools. Please ensure you keep an eye on the apps and social media sites your children are accessing.

### REMINDER

Children should not be left unsupervised until a member of staff is on duty at 8.35am.

### **Parentpay—Outstanding Accounts**

We are aware that a number of parents are not keeping their Parentpay accounts up to date and ensuring that their balance is cleared. Please could all parents check ALL of their accounts, e.g all of the before and afterschool sessions, nursery, swimming, class trips etc. Please note that this applies to any small amounts on any of the accounts, this will then hopefully ensure that all accounts will be cleared before the end of term.

Thank you for your co-operation in this matter. If you do have any problems with Parentpay or any other queries, please do not hesitate to contact the school office.

Many Thanks

# THE CREATIVE EXPRESS

An inspirational new approach to creative self-expression combining 3-D art and word play

THE CREATIVE EXPRESS workshops are fun and lively and draw reference from the Royal Cornwall Museum's wonderful collection. Nicola's background is in sculpture, so she likes to introduce techniques and materials not usually available in the everyday home or school environment. With word games and clever stepping stones, Charlotte enables the children to write creatively before they even know it. The combination is a unique learning opportunity where everyone gets to push their creative boundaries and come up with something they didn't know they could do. At the end of the workshop they get to take home their own treasure from the Museum.

**Tuesday 6th June "Setting Sail" at the Royal Cornwall Museum, 10am - 12.30 pm** Suitable for ages 8-14 years Price £12 inclusive of all materials

*In this workshop, inspired by the collection at the Royal Cornwall Museum, we're going to be thinking about the moment of departure - setting out on a great journey into the unknown, full of excitement, anticipation and trepidation. We'll make stunning sailing boats out of mixed media and express the thrill of that moment in a poem or a letter home, to be inscribed on the sail.*

Responses to our recent workshop at the Museum, **"Art of the Patronus"**

*"This was GREAT. My ten year old daughter loved it, engaging and fun – We'd definitely book again" PA*

*"The combined artistic forces of Nicola Buxton and Charlotte Hobson are a match made in heaven for fun, hands-on and educational workshops for children. Naturally inspiring and engaging, they recently weaved their magic spell over my two boys with their 'Art of the Patronus' workshop and the children produced not only stunning poems but wonderfully carved plasterwork of their spirit animals. The boys were so proud of their achievements - to be totally engaged and focused the entire time and come out smiling is definitely cause to sign up for more!" TW*

*"I was so proud of the poem I wrote and creating my animal artwork really helped me conjure up my words." H – 8yr*

## About Nicola

Nicola Buxton is a member of the Royal Society of British Sculptors. She has also delivered a variety of sculpture workshops in primary and secondary schools through KEAP and Creative Partnerships as well as in Newlyn Art Gallery, Tate St Ives and the Eden Project.

## About Charlotte

Charlotte Hobson's novel, *The Vanishing Futurist* (Faber & Faber) was published in 2016 and has recently been long listed for the Walter Scott Prize for historical novels.
