

# Camp Kernow

On Monday 16<sup>th</sup> of May year 4 went to Camp Kernow for 2 days. They did tree climbing, animal tracking, archery and a whole lot more, including roasting marshmallows over a camp fire. The children took on their fears with the support of their friends around them. They were a real credit to the school and themselves – a real pleasure to have. Mr Lees also wanted to mention how wonderfully behaved the children of BB were! Well done to all involved. Year 4 News Team

This week saw some very lucky years 5s head off to Fistral Beach for a day of surfing fun. After an interesting talk from the lifeguards about beach safety, they headed off to the beach to put words into action. Initially, they warmed up with some fun beach games and then split into two groups. One group learnt about life saving techniques and in true Baywatch style, 'saved' each other. The other group enjoyed riding the waves on boards. They then swapped groups so everyone had a go at everything. All too soon it was time to leave. One of the boys said "That was the best trip I have ever been on."

### Healthy Tuck Seal of Approval!

In collaboration with Chartwells, we are constantly striving to ensure all the food we offer pupils is both healthy and appealing as well as meeting the School Food Standards. To this end, we invited in an external adviser to audit the provision and we are pleased to say she was impressed with the range of snacks offered. Most options were compliant but she has queried the offer of the dried fruit snacks, which are too high in sugar. We will liaise with Chartwells regarding the snack packs but, in the meantime, wish to thank them for their hard work in delivering an excellent healthy tuck shop!
