

IMPORTANT REMINDER: BBKIDS WILL NOT BE RUNNING ON THE LAST DAY OF SUMMER TERM—TUESDAY 24TH JULY. SCHOOL FINISHES AT 3.15PM

★ Head's Blog...

★ If your child is in Reception, Year 1, Year 2 or Year 6, their report is also accompanied by a sheet detailing their statutory assessment results. We are pleased to advise that outcomes are better than ever across the school and we are very proud of how well the children have worked towards these outcomes. Many have performed beyond their expectations and should be delighted with their achievements.

★ I am looking forward to our Leavers' Communion and performances next week. Hope to see many  
★ of you there!

### Year 6 Fiver Challenge.

A huge thank you to everyone who supported our Year 6's with their Fiver Challenge. They managed to raise a staggering £640.00, which blew their original target of £250.00 right out of the water. Little Harbour will be coming in next week to accept the donation.

More proud moments... 6 of our pupils were rewarded for their achievements in Creativity, Sport, Perseverance and Kindness on Wednesday when they attended Celtic Cross Education's Academy Awards evening at St Petroc's Church in Bodmin. It felt like a star-studded occasion as all of our winners walked up the red carpet to receive their award.

Congratulations to Yazmyn, Shay, Marissa, Ellison, Neve, Alex, Eloise and Alex. You all thoroughly deserve this recognition!

On Friday 29th June , a selection of children from years 3, 4, 5 and 6 travelled to Penryn to take part in the Cornwall School's Games dance competition. They had a brilliant day and their behaviour was fantastic! Even with the boiling weather and long coach journey.

Both of our dance groups did an amazing job and danced fantastically!

Our year 5 and 6 crew came THIRD and our year 3 and 4 crew came FIRST!

# ATTENDANCE

We're happy to report our continued attempts at raising the importance of positive attendance with pupils and have put the following in place:

For the class achieving the highest attendance each week, a Friday 'Popcorn Pass' will be granted. This involves an hours treat of a film and popcorn to munch on! Here are the winners from this week..... **HOPE!**

For the individual children achieving 100% attendance throughout the week, their names will be put into a draw. Two names will be drawn and a small prize will be given to the winners.

Our current whole school attendance for this academic year stands at **96.28%**, a percentage that is above the government expectations. Thank you for all your support in ensuring the positive attendance of your child and keeping school informed of any illness or absence.
