Newsletter

Thank you to everyone for supporting us in raising money for Comic Relief this year. The children looked fantastic in their red outfits and we had great fun joining Radio Cornwall for a 'Move and Groove' at the beginning of the day. We raised an impressive £225 and money is still coming in. Well done BB!

As I've visited classrooms this week, I've been very pleased to note lots of great progress in books. Teachers are currently busy collating mid-year assessments, ready to share with you at parent consultations at the end of term. Make sure you make an appointment when bookings open next week so that we can share with you important information about your child's progress.

I have also noticed that a number of children are wearing trainers during the school day or do not have PE kit in school for their PE lessons. Can we politely remind you that trainers are not part of school uniform and only black, 'polishable' shoes should be worn? It is also important that children have the correct PE kit for these lessons; please ensure your child has their white t-shirt, black shorts and trainers or plimsolls in school at all times.

Have a great weekend—keep warm and dry!

BB Sports News.....

Year 1,2 & 3 Cross Country was a huge success with lots of children showing perseverance and courage! For some children it was the first time they have competed for BB and they represented the school amazingly!!

Parents were equally supportive with their cheers echoing around the sports field.

A particular mention to Korey, one of our exceptionally talented year 3 boys, who won the race!

Well done to all involved; you have done BB proud and we are very proud of you.
