

"Learning that lasts a lifetime"

Newsletter

IMPORTANT REMINDER: BBKIDS WILL NOT BE RUNNING ON THE LAST DAY OF SUMMER TERM—TUESDAY 24TH JULY. SCHOOL FINISHES AT 3.15PM

What a year! We've seen many successes this year and can look back on lots of fun and great learning opportunities. The last week has been no exception with children visiting Pinetum Gardens as their prize for their gardening prowess; some great graduation performances and a fantastic Football Carnival shared by Key Stage 1 children. There was great atmosphere and it showcased the wide variety of learning the children have experienced over the last term. It was also a moment to believe that football really is coming home, at BB at least!

This will be the last newsletter of the year so it's time to say farewell to some friends and colleagues. Mr Jones, Miss Pomeroy, Mr Jory and Mrs Walker are all moving onto pastures new; Mrs Wade is leaving to start teacher training and Mrs Cleaves leaves us to begin her secondment as Assistant Head of St Petroc's School. Sadly (for us!), Mrs Omlo will also be retiring at the end of this term. Both Mrs Cleaves and

Mrs Omlo have been part of the BB team for many years. They have been fundamental in supporting a huge number of pupils, they have bundles of knowledge and experience and will be sorely missed. However, we can't stand in their way, particularly as Mrs Omlo is going to be spending lots of time with her precious grandchildren! We wish her a very happy and healthy retirement and Mrs Cleaves every success in her new job!

Last but not far from least, we say goodbye and good luck to our wonderful year 6 pupils. They really are a cracking group, who have shown great spirit, talent and enthusiasm. They go with a bit of BB in their hearts, ready to take on the world!

Have a lovely summer break, whatever you get up to and we look forward to seeing you in September!
Mrs Carmichael

KS! Football Carnival

What a fantastic afternoon celebrating all of our learning based on our topic of Brazil! The children shared art work, information leaflets, music, design and dance that they had created across this term. We had our World Cup Final where England played Brazil...and England came out as the winners with the final score being 3-2. We would like to thank all of those who made it and a big well done to the children. We are very proud of all of you and what you have achieved this year.

Many thanks The Key Stage One Team

MACMILLAN
CANCER SUPPORT

All of the Year 6 children would like to say a huge thank you for supporting them during their Fiver Challenge stalls over the past few weeks. They have worked so hard to raise as much money as possible for Little Harbour, and amazingly they have raised an incredible £640.87. Little Harbour came in to school on Wednesday to hear all about their efforts and were blown away with the amount of money presented to them. This wouldn't have been possible without the generous support of all of you, so on behalf of the year 6 children and adults we would like to say a massive thank you.

A huge thank you to Tesco for donating lots of soft drinks for the Year 6 from this evening. I am sure that the children will thoroughly enjoy being greeted by a mocktail as they celebrate their time at Bishop Bronescombe school.

ATTENDANCE

We're happy to report our continued attempts at raising the importance of positive attendance with pupils and have put the following in place:

For the class achieving the highest attendance each week, a Friday 'Popcorn Pass' will be granted. This involves an hours treat of a film and popcorn to munch on! Here are the winners from this week..... **Little Fish**

For the individual children achieving 100% attendance throughout the week, their names will be put into a draw. Two names will be drawn and a small prize will be given to the winners.

Our current whole school attendance for this academic year stands at **96.17%**, a percentage that is above the government expectations. Thank you for all your support in ensuring the positive attendance of your child and keeping school informed of any illness or absence.

Holiday Online safety

Without doubt your young ones will be accessing the online world at some point over the holidays. We just thought it would be a good idea to remind you of a great website to access sensible advice on online games and apps — www.common sense media.org

Important notice -

From September 2018 there will be a small price increase in school meals. The new price will now be £2.32.

Reminder: Last day of Term will be a non uniform day—all proceeds to St John's School in Tanzania.

There will be NO BBkids running on the last day of term.

You can access easy-to-read reviews and it is a brilliant way of keeping yourselves, and your children, informed of what they are accessing or would like to access. The link is on the Parents / Useful information tab of our website too.

Furthermore, to the above, we are aware of a 'Charlie Charlie' craze at the moment, which is upsetting some pupils so please keep an eye on what your children are accessing online.
