## Newsletter

THERE WILL BE NO BBKIDS RUNNING AFTER SCHOOL ON WEDNESDAY 24TH JULY 2019  
(LAST DAY OF TERM) THURSDAY 25TH IS AN INSET DAY.

Wow—it has certainly been a week of proud moments!

Without doubt, our Teams Outdoor Learning day will be a day I won't forget in a hurry. It was lovely to see the whole school out, working with friends of different ages and exploring a huge range of activities out in the open air. The weather was perfect and children had so much fun! HUGE thanks to Miss Burr and Miss Oliver for coordinating this event, which was a massive undertaking and thanks also go to Penny Hermes, parent and SMC member, who provided advice and guidance for the day. We definitely want to ensure we make the most of the outdoors and spend more time learning outside in the future.

I have also spent 3 afternoons proudly watching our YR and Y2 graduation performances as well as our Y6 leavers' performance. I'm always taken aback by their confidence and enjoyment on these occasions and I take great pleasure in reflecting on how they have progressed. I hope you enjoyed these performances as much as I did.

Monday saw the grand opening of our Reception Patio. Mark Lees came to formally open this long-awaited addition to our school and we were treated to some great musical performances. Thank you to Jamie and Tracey for supporting our guitarists and singers so well!

In addition to all this, Peacocks class danced at Geevor Mine; several children were presented with awards at the Trust awards ceremony at Truro Cathedral and our School Council received their Silver Learner Participation Award at Cornwall County Council!

What a week!

Peacocks class did a fantastic job of representing our school at the 'Moving the Earth' dance day at Geevor Tin Mine! It was a long journey, but the children stayed enthusiastic and energised and performed their piece brilliantly! Miss Burr was very proud of them all.

A group of children were recently selected to attend a 'Creation Celebration' at Wheal Martyn, organised by the dance group 'Flock'. The children had a brilliant time and were treated to a free tour of the museum before working with the Flock dancers to use their surroundings to create art, poetry and movement!

## Outdoor Learning

We spent Wednesday 17th July celebrating the great outdoors! Across the school, children worked in their mixed age house teams to take part in lots of team building activities. The children were really enthusiastic and excited to take part in den building, scavenger hunts, natural craft including crowns and wands, making journey sticks, grilling bananas with melted chocolate and toasting marshmallows. The children were a credit to the school, as they demonstrated fantastic team work and problem solving skills. A fantastic day working together to end the school year.

**Staffing news:** With a tear in our eye, we will be saying goodbye to a few members of staff at the end of this year. Mrs Allen will be leaving us to take on a new role at Penrice, Mrs Jones is excited to be moving to a local nursery and Mrs Myford will be starting a well-earned retirement! They have all been an integral part of the BB family for many years and have made a huge impact on many children's lives. We can't quite get used to the idea that they won't be with us in September but we wish them the very best of luck with what lies ahead!

Mrs Bounsall (YR TA) and Mrs Mullen (Y5/6 TA) will both be leaving to take on exciting new roles elsewhere. Again, they have made such a positive contribution in so many ways and their new employers are lucky to have them.

We will also be saying farewell to Mr Gimenez, Mrs Bailey and Mrs Gerry who have been with us for part of this academic year. Mr G has been a great asset to our Y3/4 team and we wish him well as he takes up a new post at a school in Falmouth. Julie Gerry will complete her supply role in our Nursery and we thank her for all she has done to support our youngest children while Jane Bailey will be leaving Cornwall to be closer to her much-loved family.

BBeebies' Picnic in the Park was a huge success. The children prepared a delicious healthy lunch comprising of a selection of sandwiches, fruit, salad vegetables and home-grown potato salad. It was yummy!

Everyone eagerly participated in our Healthy Movers sessions, where we learnt about the importance of physical activity and then enjoyed some lively games with the parachute.

The highlight of the day was the children's performance. They sang 'This Little Light of Mine,' 'Twinkle Twinkle, Little Light' and 'My Lighthouse.' The grand finale was the storytelling of The Lighthouse Keepers Lunch.

A big thank you to all of the parents and family members who came to enjoy our end of year celebrations.

A few days later we received an invitation to meet the Mayor of St Austell, who had heard all about our party in 'The Meadows', and was delighted that we were making good use of the open space, promoting community cohesion.
