HEAD'S BLOG...

What a week! From personal experience, one of the busiest ever as we've been formulating our plan to meet the DfE's guidance to enable us to open to all year groups in September. Our plans were presented to the SMC this morning and will now be submitted to the Board of Directors next week. This is to ensure they are satisfied that our plans are robust and meet the needs of pupils and staff. As soon as possible, I will share these plans with you all. In the meantime, the DfE have published some information for parents about the full opening, which you can find here:

Whilst all that has been going on, life in school carries on and our pupils in school and at home have been participating in our virtual sports week—it's been lots of fun and we must thank Mr Nicholas for coordinating the whole thing! We hope you've enjoyed the variety of events.

In addition, we have been organising reports to be sent home—thank you to all of our staff who have all done their bit in preparing these reports to be emailed to you individually. No mean feat! I hope you enjoy reading the report and looking back at your child's successes over the first two terms of this year.

With your report, you will also find details of your child's next class, teacher and TA. As previously advised, we have tried to ensure that your child is with a familiar group and a familiar adult. In addition, Reception teachers will support children heading into year 1 in the first few days of the autumn term. If you have any queries regarding next year's class, or your child's report, please call the office to arrange a telephone appointment.

Overleaf is our class structure and you will note there are a few changes. As previously advised, Mrs Greenaway has not returned following maternity leave and has taken up a post closer to home. We now have 2 Assistant Heads: Miss Jane and Mr Hobbs and a full-time SENCO, Mrs Moseley, to support children and staff as well as a full complement of teachers and TAs.

Sadly, we also say some farewells... Miss Munson will be leaving after a fab first year of teaching with us. She has had a hugely positive impact on many pupils and staff here at BB. Her care, commitment and creativity will be sorely missed. We wish her the very best of luck!

Miss Gray will be leaving to begin her teacher training in September. She's very excited to take the next steps towards a career I feel she is destined for. Again a huge loss for us but a huge gain for the teaching profession!

And finally, we have been blessed with the company of 2 excellent supply TAs over recent months; however, Miss Parker and Miss Routledge will also be leaving us to take on the next stages of their careers. We wish them luck and thank them for their time and commitment to our school.

Please can I also draw your attention to information about an exciting new project our friends at St Luke's are getting underway. Your comments and support would be very much appreciated (please see page towards the end of this newsletter).

Don't forget to send in your videos for BB's Got Talent—I can't wait to see what you've got!!!

Have a lovely weekend—it looks like the sun is making an appearance!

A warm welcome to Mr Hobbs

We are excited to welcome Mr Hobbs, who will be joining our Key Stage Two Assistant Head in September alongside Miss Jane, who will remain as Assistant Head for Early Years and Key Stage One. We are confident that he will be an excellent member of our team.

A little message from Mr Hobbs:

Hi, I'm really excited to be joining the team at Bishop Bronescombe and meeting everyone in September. For the last 6 Years I have been teaching just up the hill at Carclaze where I have taught years 6 and 5. My favourite lesson is Maths; I love coaching the football team and going on school trips. Outside of school you can often find me on the beach with my family – I have two boys who love the sea!

5 Fun Facts about Mr Hobbs

1. I love chocolate.
2. My favourite lesson is Maths.
3. I have two boys called Harry and Ollie.
4. My favourite book is Kensuke's Kingdom.
5. I support Liverpool Football Club.

BB Friends

This year, we sadly say goodbye to Tracey Mason who has been leading BB Friends for many years. We are so grateful for the ongoing commitment Tracey has given running this group to raise funds for events over the last few years, including our super discos and popular ice-cream Fridays.

On behalf of all the pupils and staff at BB, we would like to say a HUGE thank you for all that you have done for us. In September, she hands over the reins to Angie Geach, who we know will do a fab job with all the support from our other 'Friends'.

Thank you for everything, Tracey!

Art week

If you want to see our lovely gallery of the fantastic array of Art created last week, please see our website page—well worth a look!

Thanks for the inspiration, Miss Nagy!

Sports Week

Thank you to everyone who has made an extra effort to get sporty and active this week. It's been great to see how everyone has adapted traditional sports day events this year. We've seen some great examples of skill and talent this week including those showing great sport values like teamwork, determination and bravery - well done everyone!

BB's Got Talent

Usually, we'd be busy preparing for our annual BB's Got Talent performance. This year, we'd like you to share your child's talents by sending a video of your child to their class teachers via dojo by Wednesday 16th July. The finalists will be showcased in a video next week so please note, by sending a clip across, you are giving permission for the videos to be included on our website and class dojo.

We look forward to seeing your talents! Good luck!

Exciting news from St. Luke's Church

The Prayer Hut

St. Luke's Church have been busy fundraising to plan for developing a prayer hut at the bottom of the school field. This building will be used to provide a space mentoring, bereavement support, KidsMatter and a place for school to use for TIS support. The building will also be used as a safe place for young people to meet in the evenings and at weekends. Here are some images of the proposed building and we'd love to hear your feedback. We would be very grateful for your comments about which elements of the design you like and what you feel could be improved. Look out for a link to a survey which will be posted on dojo next week!

St Luke's are launching their fundraising today in aid of The Prayer Hut with the 100km in 10 day Challenge. Rev Jules and Emma are being joined by parents, staff and friends who are each swimming, running, cycling or walking 10KM everyday for 10 days.

If you would like to show your support for them, we will be sharing a link to their 'Give a Little' page via Cass Dojo next week, where you can also leave them a message of encouragement.
