'Nurturing God's gifts with compassion and drive, so that all our children succeed, learn and thrive'

## We are now on Twitter - @PiranCross

Dear Parents.

This has been an extremely busy half term. We have been busily preparing the children in Year 2 and 6 for their SAT tests and we have been very proud of their hard work and attitudes to this. Some of the Year 6 tests were very hard and the determination and resiliance of our children was impressive!

We have also spent time setting our budgets and ensuring that our schools have staff to work with the children in September 2017. We have made some excellent appointments and we hope that all of our new teachers will visit their new schools before the end of this term.

I am very grateful to the staff who have given freely of their time to accompany our Year 3 and 4 children to our residential camps at Camp Kernow and Porthpean in St Austell.

### New Heads of School for Grampound Road and Veryan

I am pleased to tell you that we have made two excellent appointments as new Heads of Grampound Road and Veryan.

Claire Gabriele has been appointed as Head of

School at Grampound Road. Claire is currently the Assistant Headteacher at Bosvigo Primary in Truro. Richard Best our Chair of the Board said of Claire: "She brings with her a wealth of experience, significant educational insights and a clear ability to identify the challenges we face in order

to keep improving the school. I am confident that with her blend of passion, intelligence and maturity, she will be a capable and popular leader for the pupils and staff of Grampound Road, and a positive addition to the wider MAT community."

Also on May 5<sup>th</sup> we appointed Anna- Rozen Willcock as the new Head of School at Veryan. Anna is currently the Lead Teacher at St Mewan Primary School in St Austell. Peter Wootton our Deputy Chair of the MAT Board said after her appointment: "Miss Willcock has been a highly successful KS2 teacher at

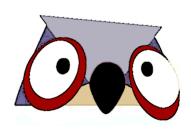

St Mewan School for the last seven years where she has established a reputation for securing excellent learning outcomes for her pupils and for innovative and exciting teaching."

"Miss Willcock has great energy and many exciting ideas that will both broaden and deepen the curriculum that Veryan School is able to offer its pupils."

I am sure you would all join me in welcoming them into our Trust.

#### MAT Value next half term – Wisdom

This half term we will be focusing on the wisdom value within our Collective Worship times.

#### **MAT Consultation**

Thank you to the parents who have attended the consultation meetings about the future of **St Piran's Cross MAT** following my retirement in August 2017.

### National tests for 7 and 11 year olds – SATs.

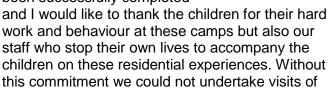

By the time you read this most of the SATs will have been taken. I would like to thank our Year 6 children and teachers for all of the hard work they did to prepare for these national tests. They were hard this year and all of our children did their best and persevered.

Year 2 children have a few things to finish off before the half term holiday and well done to all of our Year 2s as well!

During the week of the 19<sup>th</sup> June our Year 1 children will be taking their Year 1 Phonic Screening Test. Teachers administer these tests on a one to one basis like when hearing the children read.

#### **Camps**

Our Year 3 and 4 camps have been successfully completed

this kind.

Year 4 had a great time at Porthpean.

## Prayer Week – 15<sup>th</sup> May 2017 in our schools

#### 'Thy Kingdom come'.

During the school week of the 15th May we joined

in with the Diocese of Truro's prayer week. We focused on:

Thy Kingdom Come, Open Doors and the persecution of Christians around the world.

- Thinking about the British Values: equality, opportunity and the rule of law. The general election is on the 8th June!
- Our farming community.
- Transitions and moving on, managing change.
- The Royal Family, our Queen is 91 years old.

Our hope is – for all Christians to deepen their relationship with Jesus Christ – for all of us to have confidence to share the

Gospel – for all to respond to the call of Jesus Christ to follow Him as disciples, to live out the Gospel and to seek God's Kingdom from day to day

Lots of wonderful and thoughtful things happened during this week in our schools. Here are a few of these things: The EYFS at

Grampound with Creed are making a special prayer space outside. At BB children have been writing prayers.

#### Half term Holiday

Our half term break is for two weeks this year and the second week includes our five INSET Days. This is a pilot and we will be seeking your views on this approach and looking at the impact on our unauthorised attendance figures for the last 12 months. We will evaluate this in July.

## I need to remind you all that holidays in term time can only be granted in truly exceptional circumstances.

We have agreed to keep this approach in place for 2018 and I know that parents have already booked two-week holidays for this period next year. (28th May to 8th June 2018)

#### **Half Term Opportunity**

# THE CREATIVE EXPRESS

An inspirational new approach to creative self-expression combining 3-D art and word play

THE CREATIVE EXPRESS workshops are fun and lively and draw reference from the Royal Cornwall Museum's wonderful collection. Nicola's background is in sculpture, so she likes to introduce techniques and materials not usually available in the everyday home or school environment. With word games and clever stepping stones, Charlotte enables the children to write creatively before they even know it. The

combination is a unique learning opportunity where everyone gets to push their creative boundaries and come up with something they didn't know they could do. At the end of the workshop they get to take home their own treasure from the Museum.

Tuesday 6th June "Setting Sail" at the Royal Cornwall Museum, 10am - 12.30 pm Suitable for ages 8-14 years Price £12 inclusive of all materials

In this workshop, inspired by the collection at the Royal Cornwall Museum, we're going to be thinking about the moment of departure - setting out on a great journey into the unknown, full of excitement, anticipation and trepidation. We'll make stunning sailing boats out of mixed media and express the thrill of that moment in a poem or a letter home, to be inscribed on the sail.

Responses to our recent workshop at the Museum, "Art of the Patronus"

"This was GREAT. My ten year old daughter loved it, engaging and fun – We'd definitely book again" PA

"The combined artistic forces of Nicola Buxton and Charlotte Hobson are a match made in heaven for fun, hands-on and educational workshops for children. Naturally inspiring and engaging, they recently weaved their magic spell over my two boys with their 'Art of the Patronus' workshop and the children produced not only stunning poems but wonderfully carved plasterwork of their spirit animals. The boys were so proud of their achievements - to be totally engaged and focused the entire time and come out smiling is definitely cause to sign up for more!" TW

"I was so proud of the poem I wrote and creating my animal artwork really helped me conjure up my words." H – 8yr
